Operation Thanks From Above-Airshow

Geneseo, NY
National Warplane Museum

In response to some recent changes and for clarification, it is necessary to bring our fans up to speed on the Geneseo Airshow.

First-We will be selling **carload tickets** at the Gate on Saturday and Sunday for the Airshow. The ticket prices will still be the same as on the website, www.geneseoairshow.com As a reminder, the ticket is good for as many persons in the car as you have seatbelts.

Second-we recommend **buying tickets online** so we can track the spaces we will have remaining and to move you faster through the Gates.

Third-A reminder that your ticket is for your private viewing area of 20' x 20'. **YOU ARE NOT REQUIRED TO SIT IN YOUR CAR TO WATCH THE AIRSHOW. Bring your chairs and or blanket and watch the show from the space beside your car, or out of your truck bed. Bring your coolers, but food and drinks will be available.**

Fourth-**You are not required to stay in your private viewing area.** You can walk around and view the airplanes that will be performing; visit the 1941 Display area; visit the gift shop; visit the food vendors; and the U S A F recruiting display. We only ask that during the show, you use your area to watch the Airshow and not move into vacant spots, because they may be sold to someone else.
