

BE A PART OF THE LEGACY

JULY 12-13, 2025

After more than 40 years of bringing you the most inspiring airshows, National Warplane Museum will once again make the skies come alive as we remember the Battles over the Pacific, as we honor the 80th anniversary of the Victory over Japan, known worldwide as VJ Day. Experience the thrill of the F-13 Rhino jet demonstration team. Be here for the first ever demonstration of the US Air Force Air Combat F-35A Lightning II. Witness TORA, TORA, TORA reenact the explosive sneak attack of Pearl Harbor. Be amazed to see multiple WW2 B-25s carry out the secret Doolittle Raid into the heart of Japan. Be here and see our "Whiskey-7" alongside other C-47s for the incredible "Flying the Hump" over the Himalayas tribute. A stunning commemoration of the Japanese surrender at Tokyo Bay featuring a massive flyover. Stay to see the P-51 Mustangs, FG1D Corsairs, the TBM Avenger, FM-2 Wildcat, SB2C Helldiver. Witness the aerobatics of World Champion Rob Holland and performances by crowd favorites Trevor Rafferty, Skipper Hyle, Rick Volker and much, much more.
